MEMORANDUM FOR: TALENT Control Officer, CIA

AEC

ATTENTION : Mr. James Q. Reber
THROUGH : ^{ACTING} Deputy Director/Intelligence
SUBJECT : Request for TALENT Clearance: Mr. Edward F. Miller
and Mr. John A. Anderson

1. It is requested that TALENT clearance be provided Mr. Edward F. Miller and Mr. John A. Anderson of the Atomic Energy Commission.

2. Mr. Miller is Senior Fissionable Materials Production Specialist, Production Division, AEC. He is needed to assist the Division of Intelligence in supplying technical data for fissionable material production estimates and to aid in the evaluation of TALENT material. He also heads the AEC group now assisting ORR/CIA with economic studies of AE programs.

3. Mr. Anderson is an alternate member of GMIC. He also assists the Director, Division of Intelligence, with technical aspects of fissionable materials production estimates. He is urgently needed to participate in Division of Intelligence evaluation of TALENT atomic energy and guided missile information.
